STUCK? BREAK IT DOWN — THE TASK YOU'RE AVOIDING

(Burns: "Little Steps for Little Feet")

The task I'm avoiding:

Break into tiny steps (2 min each):

IF-THEN RESCUE PLAN

(for when you get pulled away)

If I catch myself on YouTube/Reddit/scrolling, I will: 5-4-3-2-1 count back, say "not now" aloud, return.

My reward after finishing one task:

"You don't have to feel like it. You just have to start."
